- (1) There are no public piped water or sewerage facilities available to serve the proposal.
- (2) The proposed development would be premature by reason of the said existing deficiency in the provision of water and sewerage facilities and the period within which such deficiency may reasonably be expected to be made good.
- (3) Portion of the site frontage is likely to be largely affected by the Council's proposed primary route (T. 1. Southern Cross Route) Road proposal for this area.
