A Chara,

With reference to your letter of the 13th ult. regarding planning permission in connection with above, I am to inform you that before the application can be considered under the Local Government (Planning & Development) Act, 1963 the following information must be submitted as:-

1. The site is not accurately indicated on the map.
2. The location of the septic tank in relation to the adjoining property is not shown.

Note: You should consult with the Council's Sanitary Department, 6 Parnell Square, with regard to the Council's requirements for septic tank drainage.

Miss, le meas,

a.s. Runai.
