The minimum of the detail a pedestrian access and water open space.  The minimum of the detail a pedestrian access and water open space.  The minimum of the detail a pedestrial properties in the detail properties in the det	to go on the particular rall dimensions of the lit plans. ould be situated on ld greatly reduce the ss this properly uld, consequently
(3) (4) (5)	Plans for two types of sub- type "3" but it has not been sites marked "A", "3", "C", sub-station buildings have s  Site "C" is shown adjoining land which would be public of  It appears from the plans so area of house plot No.40, bu without the necessary dimens  Site "D" is shown at the appearationally injure amenity of	station have been submitted in indicated which type is in indicated which type is in it in addition the over not been given on the detail a pedestrian access and we open space.  The country is a corner site and work it is difficult to assemble a corner site and work residential properties in its indicated in the country is a corner site and work residential properties in the coun	to go on the particular rall dimensions of the plans.  Sould be situated on the sathis properly uld, consequently the vicinity.

NOTE: An appeal against the decision may be made to the Minister by the applicant within one month from the date of receipt by the applicant of this notification or by any other person within twenty-one days of the date of the decision. The appeal shall be in writing and shall state the subject matter of the appeal and grounds of the appeal and the nature of the appellant's interest in the property affected and should be addressed to the Secretary (Planning Appeals Section) Department of Local Government, Custom House, Dublin 1. When an appeal has been duly made and has not been withdrawn the Minister for Local Government will determine the application for permission as if it had been made to him in the first instance:
