Re/ Storage and Shelter Building at Clontarckin

A Chara,

With reference to your letter of the 9th inst. regarding the above proposal, I am to inform you that this revision is satisfactory from Planning aspect subject to the following requirements:-

- (1) That the arrangements for drainage of the development are to the satisfaction of the Dublin Sanitary Authority.
- (2) That fire-fighting precautions in the development are to the satisfaction of the Dublin County Council.

Mise, le meas,

a.s. Bunai.
