A Chara,

I am to refer to your letter of the 24th ult. regarding planning permission in connection with above and to state that before a decision on the application can be considered under the Local Government (Planning & Development) Act, 1963 the following information must be submitted:-

- (1) In view of the location of the Southern Cross Route at the south boundary of the proposed housing site and its likely effect on the eastern portion of the site, together with possible junction reservations at the junction with Oldbarn Road, a revised layout, taking cognisance of these effects is required.
- (2) Details of the proposed temporary sewage treatment plant and its feasibility of operation are also required.

Mise, le meas,
