change of use of existing buildings, structures, plans and the temporary
office.

(1) The proposed development, which provides for additional shopping
development and additional offices on the first floor, would be in
conformity with the present planning and development of the area and
the proposed building is in conformity with the existing development plan
for this area.

(2) The proposed development would include additional traffic generated on
this congested and business route and would create a
serious traffic hazard by means of the additional vehicles generated to
and from the site.
