Revised Lay-Out of Factory at 22.1 Mile - Responsibility to the California

Please note - 22.1 Mile - 22.1

- (1) That the development is carried out strictly in accordance with the plans and specifications laid out with the application. (The engineer and the development shall be in accordance with the provisions and effective control maintained).
- (2) That the roads, bridges, waterways and other services shown on the plans or required for the development be constructed in accordance with the County Civil's requirements for such service.
- (3) That the material finished remains in color and texture with the existing building. (This requirement refers to visual quality).
- (4) That building layout approval shall be obtained and any variations of such approval shall be observed in the development. (In order to comply with County Service Code, 1970 - 1984).
