Blackrock Planning Control No. 3223
Application received 13th Sept., 1966.

APPLICANT James Phelan

In pursuance of its functions under the above mentioned Act the Dublin County Council, being the Planning Authority for the County Health District of Dublin, did by order P/1022/66 dated 10th November 1966 make a decision pursuant to Section 26(1) of the Act refusing permission for:

for the following reasons:-

- (1) The plans lodged in connection with the proposal are unsatisfactory in that the site location map and larger scale site plan indicate sites which are different to each other and which do not conform with the site for which the outline permission referred to in the accompanying letter of application, was granted by the Council.

Signed on behalf of the Dublin County Council:

for County Secretary

Date: 10th November, 1966.

NOTE: An appeal against the decision may be made to the Minister by the applicant within one month from the date of receipt by the applicant of this notification or by any other person within twenty-one days of the date of the decision. The appeal shall be in writing and shall state the subject matter of the appeal and grounds of the appeal and the nature of the appellant's interest in the property affected and should be addressed to the Secretary (Planning Appeals Section) Department of Local Government, Custom House, Dublin 1. When an appeal has been duly made and has not been withdrawn the Minister for Local Government will determine the application for permission as if it had been made to him in the first instance.
