Factory and Offices at Cookstown, Tallaght.

A Chara,

Intercontinental Chemicals Ltd.

I am to refer to your letter of 23rd August, last regarding Planning Permission in connection with above, and to state that before a decision on the application can be considered under the Local Government (Planning and Development) Act, 1963, the following information must be submitted:-

- (1) Indicate the precise nature of the chemical products ^{which} it is proposed to manufacture. In view of the fact that there is a very large edible products factory (Messrs. Urney Ltd.) in the vicinity, it is essential that this should be known to enable the application to be properly considered.
- (2) A satisfactory site plan showing existing site conditions and the location of the proposal in relation to both Belgard Road and the public (Council) road which exists to the southwest of the site.
- (3) Details of the proposed method of sewage disposal.
- (4) The quantity of water required should be stated.
- (5) The extent of the off-street car parking, and loading and unloading facilities should also be clearly indicated.

Mise, le meas,

A.S. Runai.
