A Chairde,

I refer to your letter dated 28th ult. applying for Planning Permission in respect of a proposed conversion, to a self-service laundry, of premises at No. 1, Walkinstown Cross for Mr. John Rush. You enclosed a copy of the notice which you stated was posted on the site.

The site was inspected by an Officer of the Council and there was no evidence of such notice on display. Your application has not, therefore, been made in accordance with the permission regulations made under the Local Government (Planning & Development) Act, 1963.

I am returning the documents relevant to your application.
