RE: Proposed house type at site 85, Road No. 11, Hillcrest Estate,
Lucan, for E. Kenny.

Dear Sir,

With reference to your planning application received here on 5th March, 1982, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 & 1976 the following additional information must be submitted in quadruplicate:-

1. The site of the proposed development is located on land which was designated as public open space on plans lodged in respect of the development of this estate. The Council could not relinquish its rights to this land as public open space unless an alternative satisfactory public open space area was being provided or unless a financial contribution was paid to the Council towards the provision and development of public open space in the area. The applicant is asked to clarify whether or not he is in a position to provide a satisfactory alternative area of public open space or make a financial contribution in lieu of open space.
2. The location map shows the area to the rear of the proposed house incorporated into the rear gardens of adjoining houses. The 1:500 plan shows the entire area attaching to the proposed house. Clarification is required with regards to this apparent discrepancy.

^ANOTE: In regard to 1. above the applicant is advised to consult with the Planning Authority.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

Yours faithfully,

for Principal Officer,
