**Change of Use from Pig Farm to Primary Works of Road and Bridges at Rhibodall
Road West, Trawsfynydd**

- (1) The proposal would cause serious injury to the amenity of the existing and proposed residential development in the vicinity by reason of the noise from woodworking machinery associated with this type of business.
- (2) The increase in number and size of vehicles using the narrow, unimproved and flexibility limited access would constitute a serious traffic hazard on this busy road.
- (3) The site plan submitted with the application is incomplete in that it does not show the proposal in relation to the existing residential development in the vicinity.
- (4) The provision has been made for future improvement of the access lane in accordance with the recommendations of the Council's Road Planning Department.
- (5) No provision has been shown on the plan submitted for off-street car parking (Provision of Street Development Plan).
