for: Proposed Filling Station at St. Mary's Road, Cradock

for the following reasons:-

- (1) The erection of a petrol filling station on this site is close proximity to St. Mary's Road and a substantial road would be likely to result in increased traffic and would create a serious traffic hazard by reason of the proximity of vehicular traffic to and from the site, the heavily frequented St. Mary's Road.
- (2) Portion of the proposed site is likely to be retained for future road improvements purposes in connection with Springfield Avenue.
