- (1) The proposal is unsatisfactory from a planning point of view, being an extension of undesirable Ribbon Development along a main arterial road.
- (2) The proposal does not comply with the Council's Building Bye-law requirements.
- (3) A portion of the site is likely to be required for future road widening.
- (4) The drainage proposals do not meet with the Council's requirements in the absence of adequate details of existing surface water and evidence of its ability to enter for the additional load.
