Memorandum of Understanding, Appendix

1. The objectives of the proposed agreement on the issue of a permanent bill (provision) in the area of exchange of high quality and information on the value of time from the adjacent countries (including information on the world market) project the participation of existing class values and promotion, and could seriously injure the interests of the area.
2. High quality in value are not available to us in the proposed.
3. The value has no public trust funding, and the amount proposed in funding of
