Conditions

- (1) That the applicant must be qualified and competent to carry out the work with the plant and machinery involved with the application, and that the applicant must have adequate experience in the use of the machinery involved.
- (2) That the necessary land is reserved for the plant and machinery.
- (3) That the building is not less than 100 sq. ft. from the new road boundary.
- (4) That a financial contribution in the sum of £500, to be paid by the applicant to the British Gas Council, towards the cost of installation of pipes and gas in the area of the premises and which shall be a contribution towards the cost of the gas supply to the premises.

See the other side.

(5) That the building and machinery shall be situated on any conditions of such approval as shall be approved in the regulations.

Reasons for Refusal

- (1) The applicant has the necessary financial resources to carry out the work with the plant and machinery involved with the application.
- (2) In order to provide for the necessary land for the plant and machinery.
- (3) In the interests of safety and health of the applicant and the public.
- (4) In the interests of the safety and health of the applicant and the public.

(5) In order to provide for the necessary land for the plant and machinery.
