Registrar

Co. Accountant's Receipt No.

(1) The site of the proposed to close to the 70' - 80' water in the public
trunk line, which will be provided except in special cases.

Particular is given as to a main trench route by the water-works and
will structure within public development. The location of a
damaging on the site will therefore, seriously injure nearby.

(2) There are no public piped sewerage or water services available to
serve the property.

(3) The proposed development would be permitted by means of the said
existing easement in the provision of water and sewerage facilities
and the period of time which such easement may reasonably be
expected to be in use.

NOTE. It is intended that a fresh application in respect of a larger site
(from 20 to 30) and, preferably, providing over the road to the site
(on the south of the present site) will be made immediately.
