**Proposed building at Philadelphia Airport**

**Floor area - 250,000 sq. ft.**

- (1) There are no public services available to serve the proposed.
- (2) The proposed development would be permitted by means of the said existing ordinance in the portion of average front lot line with the parcel which such ordinance any reasonably be connected to the main group.
- (3) The proposed structure on a restricted site, in an area of high assembly value, would be seriously injurious to the health of the area.
