In my view, to discuss issues of development

is to discuss issues of development

Quality of

1. That the development be carried out in a way that is consistent with the plan and specification adopted with the application.

2. That the building be not back and forth from the site for a road boundary.

3. That the details of the construction and materials of the building be approved by the Council's Building Department before work is commenced on the site.

4. That Building Department approval shall be obtained and any condition of such approval shall be observed in the development.

Development

1. To ensure that the development shall be in accordance with the regulations and objectives of the main plan.

2. In the interests of proper planning and development of the area.

3. In order to comply with the provisions of the 1970-1980 Act.

4. In order to comply with the provisions of the 1970-1980 Act.
