Registrar  
Co. Accountant's Receipt No.

(1) The creation of a development on this site should be consistent with the area of high density urban, which is currently being developed in the vicinity of the site.

(2) Public project water and sewerage supply facilities are not available to serve this project.

(3) The proposed development would be permitted by reason of the existing density in the portion of the site which is currently being developed within which the project is proposed to be developed in the area.
