Conditions

(1) That the development be carried out and completed strictly in accordance with the plan and conditions approved with the application, save as in the conditions hereinafter otherwise provided.

(2) That the necessary land be reserved for the development and improvements as shown on the approved plans.

(3) That access be given to the road to be constructed to the other road (shown herein as) at the north side of the site and details of the proposed access are to be submitted to the County Council before any constructional work commences.

(4) That the design and location of the water tank shall be in accordance with the requirements of the County Council and the Department of Public Health.

(5) That any existing bye-laws, covenants, easements and other conditions of any approval shall be observed in the development.

Conditions for modification

- (a) In order that the development shall be in accordance with the provisions and conditions contained in the plan.
- (b) In the interests of proper planning and development.
- (c) In the interests of proper planning and development of the town.
- (d) In order to comply with Statutory provisions P.I.C. 1933.
- (e) In order to comply with Statutory provisions P.I.C. 1933.
