standards to minimize historical error

- (1) While the development has continued and not completed in order to minimize error, the plan and specifications listed will be a plan, and more as is in the conditions mentioned in the appendix.
- (2) That suitable "best practice" for our printing process be provided on the site in the context of the current plan and specifications for the various areas.
- (3) To be building the new system shall be obtained and any conditions of such approval shall be observed in the development.
