RE: Proposed revised house type at site Nos. 56 to 63 Rowlagh +
Clondalkin for T. Ford.

Dear Sir,

With reference to your planning application received here on 1st July, 1981 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following additional information must be submitted in quadruplicate:-

1. The corporation layout for these sites indicates a total site frontage of 192 ft. approx. measuring a straight line from the front corner of site 56 to the front corner of site 63. The site map attached to this application shows this dimension to be 200ft. The block plan attached to this application shows a dimension to be 250 ft. Clarification of this apparent discrepancy is required.

NOTE: The applicant is advised that a minimum distance of 7ft. 6ins. is required between houses.

Please mark your reply "Additional Information" and quote the Reg. Ref. No. given above.

yours faithfully, 19

for Principal Officer.
