approval must be complied with in the carrying out of the work.

Reg. No. WA 108.

26th March, 1981.

Mr. T. Keane. 69, Coolamber Drive, Rathcoole, Co. Dublin.

> Re/ Proposed erection of split level bungelow at Crockaunadreenagh, Rathcoole, for Mr. Tim. Keane.

Dear Sir,

With reference to your planning application received on the 28/1/81, in connection with the above, "I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following Information must be submitted in quadruplicate:-

1. Further information is required which should provide for -(a) Details of the proposed septic tank design, clarification of soil suitability for disposal of septic tank effluent, together with all necessary trial hole arrangements and percolation areas for septic tank effluent.

(b) Specific evidence that an adequate and satisfactory potable water

supply can be provided.

These matters must be the subject of consultation and agreement with the Health Inspector's Department, Eastern Health Board, 33, Gardiner Place, Dublin 1, before submitting any further information.

Please mark your reply "Additional Information" and quote the Register reference number given above.

Yours faithfully,

for Principal Officer.
