LOCAL GOVERNMENT (PLANNING AND DEVELOPMENT) ACTS, 1963 TO 1983

County Dublin

Planning Register Reference Number: T.A. 1591

APPEAL by Colm O'Brien of Scholarstown House, Scholarstown Road, Templeogue, Dublin, against the decision made on the 17th day of October, 1980, by the Council of the County of Dublin to refuse an outline permission for housing development on lands at Scholarstown Road, Templeogue, Dublin:

DECISION: Pursuant to the Local Government (Planning and Development) Acts, 1963 to 1983, outline permission is hereby refused for the said housing development for the reasons set out in the Schedule hereto.

SCHEDULE

1. Development of the site, which is landlocked and which has no public road frontage, would be premature until access can be co-ordinated with either existing, permitted or planned developments adjoining and as such would be contrary to the proper planning and development of the area.
2. The proposed development would also be premature pending the preparation and completion of an approved action plan for the area by the planning authority.

In pursuance of its functions under the above mentioned Acts the Dublin County Council, being the Planning Authority for the County Health District of Dublin, did by order, P/ ~~A/2230/80~~ dated ~~17/10/80~~ decide to refuse:

Proposed residential development at Scholarstown Rd., Templeogue.

For.....

for the following reasons:

1. The site is located in an area zoned to provide for open space amenity and to provide for recreational open space and ancillary structures in the Development Plan. The development proposed would contravene materially these objectives, would not be in accordance with the proper planning and development of the area and would seriously injure the amenities of the area.
2. Public piped services are not available to serve the proposal.
3. The proposed development would be premature by reason of the said existing deficiency in the provision of public piped ~~xxx~~ services and the period within which such deficiency may reasonably be expected to be made good.
4. The plans submitted do not show how it is proposed to provide access to the residential development envisaged.
5. The proposed development would be premature pending the preparation and completion of an approved action plan for this area.
