LOCAL GOVERNMENT (PLANNING AND DEVELOPMENT) ACTS, 1963 AND 1976

County Dublin

Planning Register Reference Number: T.A. 976

APPEAL by Catherine Downes, of 6, Greenhills Road, Walkinstown, Dublin, against the decision made on the 17th day of July, 1980, by the Council of the County of Dublin, deciding to refuse permission for development comprising the continuance on a temporary basis of the use of a site at 6, Greenhills Road, Walkinstown, as a bus-parking area:

DECISION: Pursuant to the Local Government (Planning and Development) Acts, 1963 and 1976, permission is hereby refused for the said development for the reasons set out in the Schedule hereto.

SCHEDULE

1. The development, by reason of inadequate vision splays at the entrance to the site and its close proximity to a major traffic intersection endangers public safety by reason of traffic hazard because the additional turning movements generated by the development interferes with the safety and free flow of traffic on the adjoining heavily-trafficked road.
2. The development is seriously injurious to the amenities of residential properties in the vicinity because of the nature of the use and the noise and traffic associated with it.

Member of An Bord Pleanála dyly

To;

Mr. John C. Batt and Associates,

Application Received 26/5/80

APPLICANT Catharine Downes.

In pursuance of its functions under the above mentioned Acts the Dublin County Council, being the Planning Authority for the County Health District of Dublin, did by order, P/ A/1484/80 dated 17/7/80 decide to refuse:

~~XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX~~

PERMISSION

~~XXXXXXXXXXXX~~

For: Proposed temporary retention of site for bus parking area at 6 Greenhills Road, Walkinstown, Dublin 12.

for the following reasons:

1. The proposed development in close proximity to a major traffic intersection would create a serious traffic hazard by reason of the additional vehicular movements to and from the site on this heavily trafficked main road and the traffic movements generated by the proposed development would aggravate the existing traffic situation and would interfere with the safety of this road.
2. Vision splays are substandard at the entrance off Greenhills Road, Turning movements onto the heavily trafficked Greenhills Road would endanger public safety by reason of a traffic hazard.
3. The entrance is on the inside of a bend which further restricts vision splays thereby further endangering public safety by reason of a traffic hazard.
4. The proposed development would be injurious to the amenities of residential property in the vicinity by reason of the noise and traffic generated by use as a bus parking area.

Signed on behalf of the Dublin County Council

for PRINCIPAL OFFICER

Date 17th July, 1980.

NOTE: An appeal against the decision may be made to An Bord Pleanala by the applicant within one month from the date of receipt by the applicant of this notification or by any other person within twenty-one days of the date of the decision.
