### LOCAL GOVERNMENT (PLANNING AND DEVELOPMENT) ACTS, 1963 AND 1976

#### County Dublin

Planning Register Reference Number: T.A. 97 5

APPEAL by <u>Catherine Downes</u>, of 6, Greenhills Road, Walkinstown, Dublin against the decision made on the 17th day of July, 1980, by the Council of the County of Dublin, deciding to refuse permission for development comprising the continuance of the use of a site at 6, Greenhills Road, Walkinstown, as a bus-parking area:

<u>DECISION</u>: Pursuant to the Local Government (Planning and Development) Acts, 1963 and 1976, <u>permission is hereby refused</u> for the said development for the reasons set out in the Schedule hereto.

#### SCHEDULE

- 1. The development, by reason of inadequate vision splays at the entrance to the site and its close proximity to a major traffic intersection, endangers public safety by reason of traffic hazard because the additional turning movements generated by the development interferes with the safety and free flow of traffic on the adjoining heavily trafficked road.
- 2. The development is seriously injurious to the amenities of residential properties in the vicinity because of the nature of the use and the noise and traffic associated with it.

Member of An Bord Pleanalla duly authorised to authenticate the seal of the Board.

Dated this 230 day of January 1980.
