Re: Proposed bungalow at Commons Lower, Baldonnal, Co. Dublin, for
Mr. S. Toland.

A Chara,

With reference to your planning application received here on 13th November, 1979, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following additional information must be submitted in quadruplicate:-

1. The site is located in an area zoned "to provide for the further development of agriculture". Clarification is required as to how the proposed development could be considered to be compatible with this zoning objective.
2. It is the opinion of the Supervising Health Inspector that the site is too small to cater satisfactorily with septic tank drainage and the development does not conform with the Council's distance requirements for septic tanks. Clarification is required as to whether or not the applicant can provide drainage facilities to the satisfaction of the Sanitary Authority.

Please mark your reply "Additional Information" and quote the Register Reference Number given above.

Mise le meas,

for Principal Officer.
