LOCAL GOVERNMENT (PLANNING AND DEVELOPMENT) ACTS, 1963 AND 1976

County Dublin

Planning Register Reference Number: S.A. 1449

APPEAL by Gerard Morris of 136, Meadowmount, Churchtown, County Dublin against the decision made on the 16th day of October, 1979, by the Council of the County of Dublin deciding to refuse to grant an outline permission for the erection of a bungalow on a site at Kilmashogue Lane, Rathfarnham:

DECISION: Pursuant to the Local Government (Planning and Development) Acts, 1963 and 1976, outline permission is hereby refused for the erection of the said bungalow.

SCHEDULE

1. The site is located in the Dublin Mountain zone, an area designated in the development plan as one of high scenic and recreational amenity. It is the policy of the planning authority, as set out in the plan, that any development in this area not directly related to its amenity potential, or its use for agriculture, mountain or hill farming should be prohibited. This policy is considered reasonable and the proposed development would be in conflict with it and seriously injurious to the amenities of the area.
2. The proposed development would endanger public safety by reason of traffic hazard because of the generation of additional traffic turning movements on the inadequate road network serving the area.

NOTIFICATION OF A DECISION TO REFUSE:

~~XXXXXXXXXXXXXXXXXXXX~~ *Outline* PERMISSION : ~~XXXXXXXXXX~~

To;

..... Kast Design,	Register Reference No. ... S.A. 1449

..... Churchtown,	Application Received ... 22/8/79

APPLICANT **G. Morris.**

In pursuance of its functions under the above mentioned Acts the Dublin County Council, being the Planning Authority for the County Health District of Dublin, did by order, P/ **A/3414/79** dated **16th October, 1979** decide to refuse:

~~XXXXXXXXXXXXXXXXXXXX~~ *Outline* PERMISSION ~~XXXXXXXXXX~~

For **proposed bungalow at Kilmashogue, Rathfarnham, Dublin 16.**

for the following reasons:

1. The site is located in an area zoned "to preserve an area of high amenity" in the Development Plan. The residential development proposed in a rural area where public piped water or sewerage services are not available and where the existing road network designed to serve rural needs is inadequate, would contravene materially the above objective and would not be in accordance with the proper planning and development of the area and would seriously injure the amenities of the area.
2. Public piped water supply or sewerage facilities are not available to serve the proposed development.
3. The proposed development would be premature by reason of the said existing deficiency in the provision of sewerage and water facilities and the period within which such deficiency may reasonably be expected to be made good.
4. The proposed development, served by an extremely sub-standard and hazardous road network, would endanger public safety by reason of traffic hazard because of the generation of additional traffic turning movements on this inadequate road network.

Signed on behalf of the Dublin County Council

NOTE: An appeal against the decision may be made to An Bord Pleanala by the applicant within one month from the date of receipt by the applicant of this notification or by any other person within twenty-one days of the date of the decision.
