Re: Proposed canteen and toilet block at Adamstown, Co. Dublin,  
for Mr. J. Goodwin.

A Chars,

With reference to your planning application received here on 9th March, 1979, in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning and Development) Acts, 1963 and 1976, the following additional information must be submitted in quadruplicate:-

1. The site map submitted is not sufficient. A block plan drawn to a scale of 1:500 showing the following details is necessary:
  - (a) The location of the septic tank percolation areas to serve the proposed premises and also other adjoining septic tanks and their percolation areas.
  - (b) A design plan of the septic tank and percolation area should be submitted.
2. Evidence of compliance with the Food Hygiene Regulations 1950/71 with regard to the canteen to be submitted.
3. Evidence of compliance with the Office Premises Act 1953, The Factories Act 1955 and Regulations made thereunder and the Control of Atmospheric Pollution Regulations 1970 to be submitted.
4. Details regarding the proposed environmental precautions to be taken by the firm "Patio Pavers" to be submitted.

NOTE: The information given by Mr. P. C. O'Grady, Architect, in his letter of the 7/3/1979, and information given verbally, on site, by the applicant, Mr. Goodwin, may not agree on certain points. Precise information on proposals for existing and proposed units must be given and, for purposes of clarification, applicant is requested to consult with the Planning Authority prior to submission of Additional Information.

Please mark your reply "Additional Information" and quote the Register Reference Number given above.

Yours in care,

for Principal Officer.
