Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 That the entire premises be used as a single dwelling unit.

REASON:

To prevent unauthorised development.

- 3 That all external finishes harmonise in colour and texture with the existing premises.

REASON:

In the interest of visual amenity.

- 4 That the water supply and drainage arrangements, including the disposal of surface water, be in accordance with the requirements of the County Council. These requirements include, inter alia, that no part of the proposed structure be less than 3 metres from existing public foul or surface water sewers and that the level of the foundation be dropped to the invert level of the lowest public sewer.

REASON:

In the interest of the proper planning and development of the area.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1991 amended 1994.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1 : Structural use of unreinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
