Reasons

- 1 The proposed development, by reason of its location, would interfere to an unacceptable degree with the established building line on St. Columba's Road, and as such, would contravene materially a development objective of the South Dublin County Development Plan, 1998 (3.4.13.i) with regard to the maintenance of existing building lines. The proposed development would therefore seriously injure the amenities and depreciate the value of property in the vicinity, and as such, would be contrary to the proper planning and development of the area.
