App. Type Permission

Dear Sir/Madam,

With reference to your planning application, received on 02/09/99 in connection with the above, I wish to inform you that before the application can be considered under the Local Government (Planning & Development) Acts 1963-1993, the following **ADDITIONAL INFORMATION** must be submitted in quadruplicate:

- 1 The applicant is requested to clarify how many children utilise the premises daily. The applicant is advised that permission register reference 89A/1690 limits the number of children to 20. The Environmental Health Officer advises that a total of 6 children aged 2-6 years can be accommodated in the Montessori School (converted garage) on a full day care basis. Notwithstanding this the Planning Authority considers that the total number of children to utilise the whole premises daily should not exceed the present permitted number i.e. 20.
