Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission and that effective control be maintained.

- 2 This permission is for a period of five years from the date of the final grant of planning permission. The monopole support structure and equipment container shall then be removed as soon as practicable unless, prior to the end of the period, planning permission shall have been granted for their retention for a further period.

REASON:

To enable the impact of the development to be re-assessed having regard to changes in technology and design during the period of five years.

- 3 The site shall be re-instated on removal of the mast and ancillary structures. Details of the re-instatement shall be submitted to and agreed with the Planning Authority.

REASON:

In the interest of orderly development.

- 4 The applicant shall ascertain whether the Department of Defence has any requirements in respect of the monopole support structure as regards air safety and comply with any such requirements. Evidence of compliance with this condition to be submitted to the Planning Authority for written agreement prior to commencement of development.

REASON:

In the interests of aircraft safety.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1991 amended 1994.
- (2) Building Control Regulations require a Commencement Notice. A copy of the Commencement Notice is attached.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
