Approval of the Council under Building Bye-Laws must be obtained before the development is commenced and the terms of approval must be complied with in the carrying out of the work.

Form A1—Future Print Like

CONCEONDEN

- 5. A 2 metre high boundary wall in blockwork or similar durable material, rendered on the outside and suitably capped is to be provided at the eastery south boundary on the new road reservation line. This matter is to be the subject of discussion and agreement with the Roads Department before any development works are undertaken on site.
- 6. That an adequate and satisfactory landscaping scheme together with a programme for such works be submitted and approved by the County Council
- 7. That the water supply and drainage arrangements including the disposal of surface water be in accordance with the requirements of the Sanitary Authority.

- 5. In order to comply with the requirements of the Roads Department.
- 6. In the interest of amenity.
- 7. In order to comply with the requirements of the Sanitary Authority.
