Dear Sir/Madam,

An inspection carried out on 10/20/99 has shown that the site notice erected in respect of your planning application does not comply with the requirements of the Local Government (Planning and Development) Regulations, 1994 as the A4 size site notice attached to gate at side of house is not legible from the public road. Before this application can be considered, you must erect a new notice on the site or structure, and submit the following to this Department:

- (a) two copies of the text of the notice
- (b) two plans showing the position of the notice on the land or structure
- (c) a statement of the date on which the notice is erected

The notice must be maintained in position for at least one month and must fulfill the following conditions:-

1. Must be durable material
2. Must be securely erected in a conspicuous position easily visible and legible by persons using the public road
3. Must be headed "Application to Planning Authority".
4. Must state:
