Conditions and Reasons

- 1 The development to be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.

REASON:

To ensure that the development shall be in accordance with the permission, and that effective control be maintained.

- 2 That the entire premises be used as a single dwelling unit.

REASON:

To prevent unauthorised development.

- 3 That all external finishes harmonise in colour and texture with the existing premises.

REASON:

In the interest of visual amenity.

- 4 Only clean uncontaminated surface water shall be discharged to the public surface water sewer. All foul waste shall be discharged to the public foul sewer.

REASON:

In the interest of public health.

- 5 The extension to the front of the house shall be reduced in size such that it does not extend further than 1.5m forward of the existing front building line of the house.

REASON:

To preserve the residential amenities of adjoining property in the interest of the proper planning and development of the area.

NOTE: Applicant is advised that in the event of encroachment or oversailing of the adjoining property, the consent of the adjoining property owner is required.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1991 amended 1994.
