Report of the Dublin Planning Officer, dated 19 August 1991

This is an application for PERMISSION for alterations and additions comprising additional offices at first floor level, new entrance and new fire escape stairs at Fine Arts, Broomhill Rd., Dublin 24.

The area in which the site is located is zoned with the objective "to provide for industrial and related uses" (E).

There have been a number of applications for minor additions to this unit, which is well designed and excellently maintained.

The current proposal is for a first floor extension of 284.55 sq. metres, which will be used as offices.

The design and finish will harmonise with the existing.

A report on file from Sanitary Services indicates that water and foul sewer are available.

There would be no objection to this proposal subject to the following conditions.

I recommend that a decision to GRANT PERMISSION be made under the Local Government (Planning and Development) Acts, 1963-1990 subject to the following (b) conditions:-

(Conditions attached)
