Tiermohan children enjoy Active School Week

PUPILS in Tiermohan National School in Donadea took part in a cycling workshop on Tuesday, 4th May as part of Active School Week. Other activities that the children keenly took part in at the rural, co-educational school were a dance workshop, skipping activities and Playball. Despite the restrictions being in continuation, the pupils showed that they could still have a safe and active week of fun! The national school at Tiermohan, located near Donadea Forest Park, was built in 1962, but there has been a school on the site dating to about 1796.
