Dear Sir / Madam

As you are well aware there is a significant shortage of homes in Dublin and I wanted to bring my plight (*And that of many others*) to your attention.

I am one of many "renters" in today's market place, I have a good permanent job, I have saved enough for a deposit and I would qualify for a home loan. But there is, no suitable apartments available for me to purchase in the preferred area of Nutgrove Avenue / Rathfarnham.

This development is intended to be sold to home buyers, while a lot of other apartment developments now are intended to be built for long-term rental and while there will always be a requirement for Apartment Rentals, there are many of us that are seeking Apartment Homes to purchase.

The location is crying out for Apartments that will be sold to the public.

The design looks really well and the documentation included in the application, such as the Design Statement, the 3d drawings, the landscape plan are very detailed and present a very strong case to allow this development to be granted planning permission.

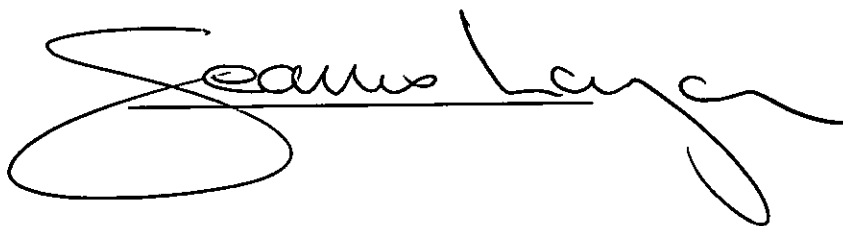

The Site is suitably placed, directly adjacent to existing public transport infrastructure which services many areas such as Dundrum, Dún Laoghaire and the City Centre, it is also within walking distance of Nutgrove Shopping Centre and Nutgrove Retail Park and numerous other local amenities such as Loreto Park, Castle Golf Club and Rathfarnham Castle Park, as well as many local schools. It would be a great place to live.

I have looked at the history of previous planning applications on the site and notice that neighbours in the housing estate to the rear have logged many similar objections. Their estate is behind a very tall wall and totally separate to this development. The entrance to their estate is nearly 800meters away on grange road. I understand from a friend in Stonepark estate that there is a very active club that are generally opposed to any planning applications in the area; it is unfair that this small group of people should be allowed to prevent you and your work colleagues for acting in the best interests of the majority of people. Those Objectors should consider our needs and entitlement to have a home.

I ask that grant planning permission for this application.

I have enclosed a fee of €20.00 as requested.

Yours sincerely
