Dear Sir / Madam

There is a much welcomed planning application lodged for the vacant site which has long been a negative blot on Nutgrove Avenue. This site has a number of positive aspects, which make an ideal location for Apartments.

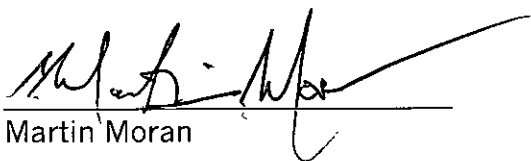

The area deserves this type of well designed Apartment development. It will greatly enhance the appearance of Nutgrove Avenue and should be welcomed.

The design is well considered and fits nicely into the surrounding area, the landscaping plan will enhance what is there currently and overall the development represents a significant gain for the locality.

At four storeys it meets the national guidelines and at the same time is not overbearing and I note that it will be smaller in height than a number of other buildings either built or granted planning within the area.

Housing is much needed and this site is an ideal opportunity to introduce nice homes into the area.

Thank you

Martin Moran
