Planning application number SD21A/0101  
Address Nutgrove Avenue, Rathfarnham

Dear Chief Planning Officer

*I am writing to offer my support for the proposed development on the site of the Former Filling Station, on Nutgrove Avenue. The current site is an eyesore and bolt on Nutgrove Avenue and this development will add character to the road.*

*The proposed development will allow for 28 well designed homes in an accessible location, well served with public transport and close to local shopping, schools and churches. I will help to alleviating the immediate need for good homes in Rathfarnham. Based on the proposed mix and this proposal would ensure that apartment living would be an attractive and desirable housing option to a range of family types. It will create a living environment that will promote a sense of community and will support the continued success of this well established area.*

*It is my view that the proposed scheme meets the principles of proper planning and sustainable development.*

*I welcome the proposal and consider the redevelopment will be a real planning gain to Nutgrove Avenue and the Rathfarnham area.*

*I enclose payment in the sum of twenty euros.*

*Thank you in advance for considering my view*

Frank Murray
