To whom it may concern:

I luigi macari am writing to south Dublin co. council to object to the development Submission number SD21A/0139 - omahony holdings dated June 2021.

Although I welcome progress being made in the development of new homes for the area. This development will have a negative effect.

As the owner of the cottage on 3 old Greenhill's road Tallaght,
This development will seriously impact my property and the neighboring properties.

(1) The close proximity of the proposed basement car park is to close the boundary wall of my property and I fear that with the vibration and depth of the excavation will cause damage to the structural integrity and foundations of my property.

(2) The height of the proposed development will block out any natural sunlight and create an overshadowing to my property and neighboring properties.

(3) Windows and balcony terraces are overlooking the neighbouring area and will have a negative effect our privacy.

(4) The density of the proposed development will literally be on top of other neighbouring buildings and devalue our properties.

So I ask south Dublin county council to reject planning permission sought by O'Malley holding SD21A/0139 on the basis of the above concerns.

You may contact me on 0868980368

Kind regards
Luigi macari.
