Dear All,

I have just realised that both of these developments fall on date that mean they won't be presented to Tallaght Area Committee members and means we won't have the opportunity to have our opinions noted can my same observations be added for both of these proposed developments.

SD21A / 0136

SD21A / 0139

They exceed plot ration/ height as defined by CDP & LAP for the village.

They do not comply with ACA design standards and will suit a traditional village setting.
