Dear Sir/Madam,

Geological Survey Ireland is the national earth science agency and is a division of the Department of the Environment, Climate and Communications. We provide independent geological information and advice and gather various data for that purpose. Please see our [website](#) for data availability. We recommend using these various data sets, when conducting the EIAR, SEA, planning and scoping processes. Use of our data or maps should be attributed correctly to 'Geological Survey Ireland'.

With reference to your email dated 23 June 2021, regarding the Building at Block R, Jordanstown Road, Aerodrome Business Park, Rathcoole, Co. Dublin, please note that Geological Survey Ireland has no specific comment or observations to make on this matter at this time.

If you have any further queries or if we can be of further assistance, do not hesitate to contact me Clare Glanville, or my colleague Trish Smullen at GSPlanning@gsi.ie.

Yours sincerely,

Clare Glanville
