HAZARD IDENTIFICATION (if not in table, review)

CONTROL MEASURES

NOTES

Hazards listed above are only those considered significant risks and:

- do not take into account a competent contractor's judgement or
- may be subject to change as more information becomes available.

Figure dimensions only are to be taken from the drawings. All dimensions are in millimeters unless otherwise stated.

Before any work is put in hand.

NOTES

The installation and design shall comply with all applicable standards and regulations, including but not limited to:

- Occupational Health and Safety Act
- Electrical Engineering Act
- Environmental Protection Act
- Water Services Act
- Fire Services Act
- Building Act
- Structural Engineering Act
- Mechanical Engineering Act
- Electrical Engineering Act
- Architectural Drawings Act
