Re: PLANNING REGISTRATION NO: SD21A/0162

Dear Sir/Madam,

I write with regard to the above planning application by Exeter Ireland IV B Limited for construction of 2 warehouses with ancillary office and staff facilities and associated development. Unit 1 will have a maximum height of 16.35 metres. Unit 2 will have a maximum height of 15.35 metres.

Located: Brownsbarn, Citywest Campus, Dublin 24.

Following consultations with our Air Corps colleagues at Casement Aerodrome, The Department of Defence would like to make the following observations:

1. Given the proximity to Casement Aerodrome, operation of cranes should be coordinated with Air Corps Air Traffic Services, no later than 28 days before use, contactable at [airspaceandobstacles@defenceforces.ie](mailto:airspaceandobstacles@defenceforces.ie) or 01-4037681
2. Due to the proximity to Casement Aerodrome, appropriate bird control measures will need to be taken during construction to mitigate the risk to Air Corps flight operations.

Please contact me if you have any queries in this regard.

Yours faithfully,

Sent via e-mail due to Covid19 restrictions
