

General Notes:
 1. This is not an installation drawing and shows the proposed layout of the equipment only.
 2. All dimensions are in millimeters (mm) unless noted otherwise. All levels are in meters (m) unless noted otherwise.
 3. Do not scale, work to figured dimensions only.
 4. The drawing shall be read in conjunction with the contract documents, specifications, and any other specific documents.
 5. Contractor selected equipment shall meet the given constraints and long lead equipment will be ordered 12 weeks in advance.
 6. All services crossing the movement zones shall be installed to accommodate the movements as indicated on the drawings.
 7. The Contractor will provide the necessary documentation.
 8. Approval of the drawings shall be provided by the Contractor prior to construction.
 9. No workover for approval.
