

- General Notes:**
1. The information presented in this drawing is for information only and is not to be used for construction without the approval of the design team.
 2. The drawing should be read in conjunction with all relevant and available contract documents.
 3. Some drawings may need to be printed in colour to show the information provided in colour on the drawings.
 4. All dimensions are in millimetres (mm) unless stated otherwise. All levels are in metres (m) unless noted elsewhere.
 5. Do not scale work to figured dimensions only.
 6. The topographical information provided is based on topographical survey undertaken as part of the planning submission.
