Re: PLANNING REGISTRATION NO: SD21A/0203

Dear Sir/Madam,

I write with regard to the above planning application by Microsoft Operations Ireland Ltd. for modifications and minor additions to previously approved scheme (Planning Register Reference SD20A/0283). Approved four-storey Office element, parapet at roof level to be raised from 19.5m in height to proposed 20.6m. 1 generator with additional proposed flue stack (height 30.75m). DUB 15, change to level of ground floor and associated increase in overall building height of approx. 700mm (parapet height increased from approved +83.0m O.D. to proposed +83.7m O.D.)
Located: Grange Castle Business Park, Nangor Road, Clondalkin, Dublin 22.

Following consultations with our Air Corps colleagues at Casement Aerodrome, The Department of Defence would like to make the following observations:

1. Given the proximity to Casement Aerodrome, operation of cranes should be coordinated with Air Corps Air Traffic Services, no later than 28 days before use, contactable at airspaceandobstacles@defenceforces.ie or 01-4037681
2. Due to the proximity to Casement Aerodrome, the developer should implement adequate bird control measures during the construction phase to mitigate the effects of birds on Air Corps flight operations.

Please contact me if you have any queries in this regard.

Yours faithfully,

Sent via e-mail due to Covid19 restrictions
